**REQUEST FOR BOARD TO CONSIDER A 'MEMORIAL WALL' AT FAIRLIE
CEMETERY.**

We would like members of the Fairlie Community Board to consider our idea to construct a 'Memorial Wall' at the Fairlie Cemetery.

Purpose:

The proposed wall is for when a deceased chooses to have their ashes spread, (e.g. Family farm, Place of special memory, Sports field etc.) at present there is nowhere to commemorate their life. This Memorial Wall will enable Families to have a plaque engraved in remembrance of their loved one.

Description:

A photo is attached as a sample of the type of wall we are suggesting. - This is not a good illustration. But gives an example of our idea.

Construction:

We consider the construction and design of the wall should incorporate the river-stone theme, which has become iconic to our district.
Photos of examples of stone features in Fairlie attached.

Concept Working Party:

Members of our group are, Nie Zuppich, Sam Mahon, Rob Leppard,
Les Blacklock, Francie Edge.

Way Forward:

Should you approve this project we would like funding for concept drawings, site plan etc. for further consultation.

A budget of \$800/\$1000 would be required to fund the initial planning.

We appreciate the boards consideration of this project.

Yours Faithfully
Francie Edge
