5.3 COMMUNITY BOARD FINANCIAL REPORT

A question was asked about the price of the “carpark island landscaping design”. Brian Milne said it was preliminary design work and this project would get underway soon.

An amount to carry forward was not showing due to being in the process of finalising the accounts. The report was received.

5.4 TEKAPO COMMUNITY BOARD GENERAL UPDATE

The purpose of this report was to provide the Tekapo Community Board with a general update on several projects and actions related to the Tekapo area in general and Community Board specifically.

Maukatua Reserve – Work has started at this reserve.

Bike Stands – A late report on the bike stands was circulated to members the day before the meeting. This outlined the cost and design options for bike stands. The community board agreed with stainless steel, and they were happy with the locations. Discussion took place on one location that needed to be confirmed with a shop owner.

Offer of Art Work Donation – The community board agreed to accept this donation and passed a resolution that the location would be finalised by the chairman and the community services manager.

Lions Corner Reserve – Contractors have expressed concerns about maintaining this bank safely. Brian Milne suggested an embankment to make this area safer. The community board wondered if new plants would survive with no irrigation to the site. The chairman asked for a site visit to be organised to get a better understanding of the issues.

Lakefront Path Development – Aiming for completion by June.

Tekapo Hall – Brian Milne suggested a thank you gift for Krissy and the community board agreed to organise this. A custodian was still needed.

COMMITTEE RESOLUTION TKCB/2022/205

Moved: Chairperson Steve Howes

Seconded: Member Carol Simcox

1. That the Urban Effects hoop bike stands design with A2O logo insert be approved.
2. That bike stands purchase and installation be funded from the Township Projects budget with an estimated cost of \$20,000. To be in stainless steel finish.

CARRIED

COMMITTEE RESOLUTION TKCB/2022/206

Moved: Chairperson Steve Howes

Seconded: Member Sharron Binns

3. That the offer of the donation of the Sculpture “Spacesaver” be gratefully accepted, to be located on the Lakefront Reserve. The final location to be confirmed by the Board Chair and the Community Services Manager.

CARRIED

5.5 ENGINEERING MANAGER'S UPDATE

Joni Johnson was welcomed to the meeting. She went through the details of her report, as attached to the agenda.

The community board asked about car park signage. The entry and exit signs were not big enough and drivers were still having problems in this carpark. Joni Johnson suggested a site walk around to see if there was an improvement that could be made. There were plans to re-mark the carpark markings.

5.6 LOCAL ALCOHOL POLICY REVIEW

Regulatory manager Mark Offen spoke to his report. He outlined the background of the local alcohol policy and how this work was contracted to Timaru District Council. The policy was due for renewal and a new committee was proposed to undertake this work.

Mayor Graham Smith said his recommendation was that the policy remained much the same.

5.7 GENERAL BUSINESS AND COUNCILLOR UPDATE

Cr Murray Cox was welcomed to the meeting and was invited to provide an update on council activity.

He said the council was preparing for the upcoming election, including a change of representation for Tekapo. The governance advisor was asked to bring information to the next meeting on the election process.

Work outlined in the Long Term Plan was now underway.

A group in the community was planning to meet and set up a Sports Trust and would be approaching Council with their ideas. Tom O'Neil offered his contacts at Sport Canterbury so they could be involved.

The Mayor updated the community board on preparations for a predicted wave of Covid illness.

A member of the board raised the issue of a small piece of council land in front of 33 Lochinvar that was overgrown. Brian Milne offered to look into this further.

5.8 COMMUNITY BOARD ACTION LIST

The chairman went through this list and noted that some items had already been discussed. Other matters to note were:

Walkway from Simpson Lane to the Carpark – Brian Milne confirmed this had been excluded from the Boffa Miskell plan. Discussion took place on this matter. David Adamson said he hoped to discuss this further with the community board as part of the next Long Term Plan process. Hopefully in November this year. Staff were not sure this was the best option for this area.

David Adamson suggested the community board could ask for a report on the options for this area in time for the Long Term Plan. This was requested.

Maukatua Reserve – To be completed over the next few months.

Tekapo Hall – The only outstanding matters were the custodian of the hall, and the booking calendar.

Rabbit Control – David Adamson said he raised this with Ecan but got push back to say this was the responsibility of property owners. Keep this on the list. Mr Adamson will continue to advocate on this issue. The community board members stressed again the need for council to take a lead role on co-ordinating a suitable plan of action

Pioneer Drive – A walk about is planned and will include a discussion on this area.

CCTV – Allocate this action to Joni Johnson.

Aorangi Crescent upgrade – Remove from action list. Work completed.

Tekapo Trails Proposal – This will be considered by the Engineering and Services Committee at its next meeting.

Tekapo Township Furniture – Remove from list.

The Meeting closed at 5.00pm.

The minutes of this meeting were confirmed at the Tekapo Community Board Meeting held on 9 March.

5.3 TEKAPO COMMUNITY BOARD GENERAL UPDATE

Author: Brian Milne, Community Facilities and Services Officer - Contractor

Authoriser: David Adamson, General Manager Operations - Acting

Attachments: 1. Hamilton Drive Firebreak Option [↓](#) 

PURPOSE OF REPORT

The purpose of this report is to provide the Tekapo Community Board with a general update on several projects and actions related to the Tekapo area in general and Community Board specifically.

STAFF RECOMMENDATIONS

1. That the report be received.

MAUKATUA RESERVE DEVELOPMENT

Work is underway on this project with completion scheduled for April 2022. There is some delay on the delivery of the shelter due to supply of the selected roofing iron not being available.

BIKE STANDS

The bike stands have now been ordered with delivery and installation expected by late April.

ART WORK DONATION

Arrangements are progressing for the installation and plaque.

LIONS CORNER RESERVE BANK

Options for alleviating maintenance safety concerns will be considered as part of the Community Board and staff walkabout scheduled for the 23rd March

LAKEFRONT PATH DEVELOPMENT

Boffa Miskell are finalising procurement documentation and RFQ process will be underway from mid-March with construction starting in late April 2022 approximately.

TEKAPO HALL CUSTODIAN

Staff are working on finalising a job description for this role to clarify what is required and likely hours. Following this we will hopefully be able to appoint someone to this role by the end of April.

HAMILTON DRIVE RESERVE FIREBREAK

Cutting of vegetation to reduce fire risk along residential property boundaries with the Council land off Hamilton Drive has been requested by FENZ following a request from one of these properties.

Mowing a fire break is not possible due to the ground being too rough, and because of investigations into a solution, a number of issues regarding the options for maintenance and development of this area of land have emerged. This includes a proposal from the Lions Club to develop the tarn area behind the cemetery, which is at the top end of this area of land.

The attached plan shows a possible course of action regarding creating a firebreak which may cost in the order of \$5,000.

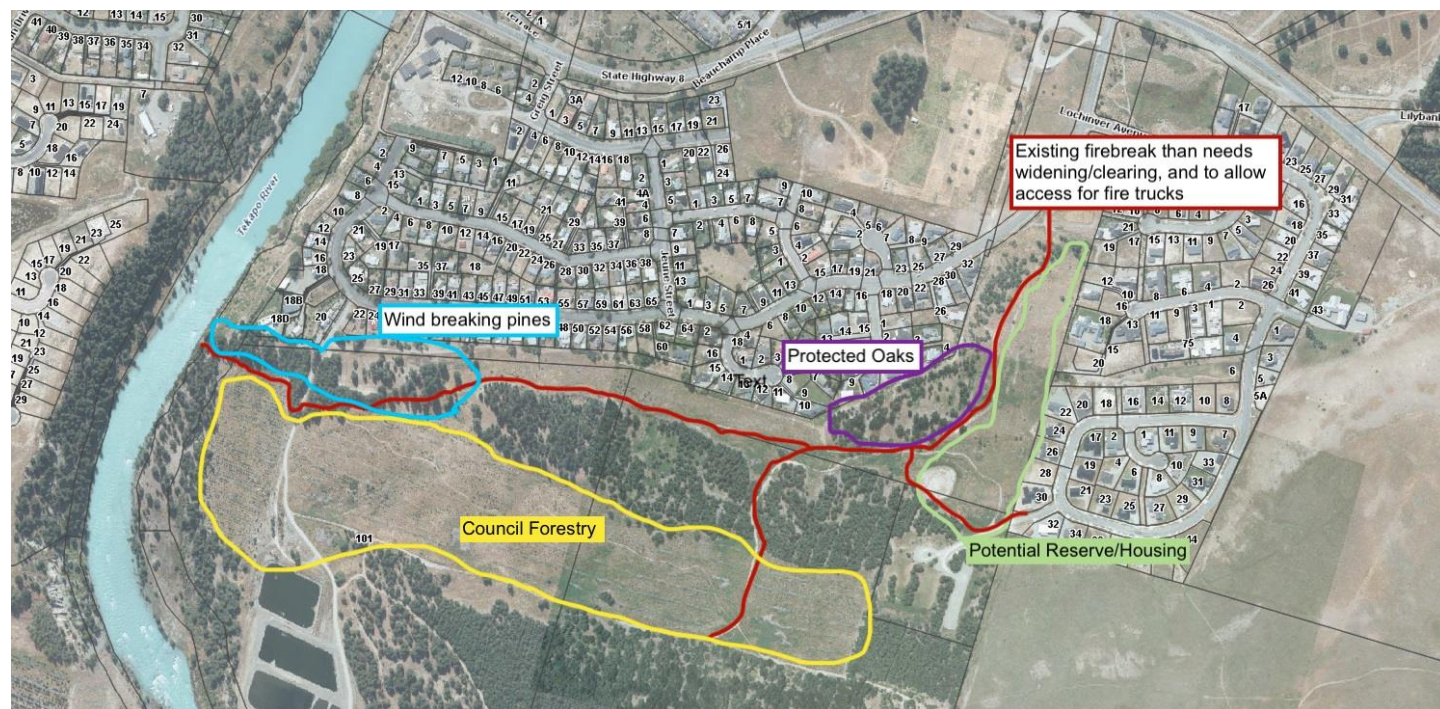

Staff seek feedback from the Community Board regarding their knowledge about the status/intentions and priority for development of this land to help guide our course of action.

I would also note that development of this land was not flagged or included the Parks and Community Facilities Strategy and project program.

WALK-ABOUT

A walkabout with the Community Board and staff is scheduled for 2.00 -4.30PM on Wednesday 23rd march. Issues for inspection/discussion include:

1. Lions Corner Reserve bank – maintenance safety concerns
2. Refuse Bin locations in town centre/lake front reserve (we have recently removed the rented big Belly Bins due to cost)
3. Hamilton Drive reserve area
4. Pioneer Drive – lakefront reserve road edge to pathway development/maintenance

5.4 ENGINEERING MANAGER'S UPDATE

Author: Joni Johnson, Engineering Manager

Authoriser: David Adamson, General Manager Operations - Acting

Attachments: 1. Desludging Photos Tekapo [↓](#) 

STAFF RECOMMENDATIONS

That the Engineering Manager's Report be noted.

TEKAPO/TAKAPŌ UPDATE

THREE WATERS

Water supply

- All water quality standards are being met.
- The volume of water used in Tekapo has not dropped significantly, even with the recent rainy weather. Investigation of this is on our action list.
- Water main replacement project will begin shortly on Aorangi Crescent; contractor is Paul Smith.

Wastewater treatment

- Desludging of the WWTP treatment ponds has begun and should be completed in the next two weeks. Photos are in the attachment to this report.
- We are almost through with CCTV inspections of certain sections of wastewater mains. We have found a few sections of wastewater pipe needing repairs. We will produce a chart of repair locations and timeframes when the CCTV work is finished.

Stormwater collection

ROADING

Lake Tekapo/Takapō School – Safety Improvements

The work is nearly complete; the contractor is waiting on steel plates to complete the work.

Lakeside Drive Drainage

Work has begun on improvements to the drainage of Lakeside Drive to address ponding after rain events.

Bollard Upgrades

Council's contractor NETcon will begin upgrading bollards in the next few months. Dates and location will be passed out once we learn of their work schedule.

OTHER PROJECTS

Regional Investment Opportunity works

Waka Kotahi (NZTA) is planning to upgrade the shared use path between Aorangi Crescent and Peppers, installing a hard surface. They are also planning to install a formal rest area at Dog Kennel corner.

CCTV System

We have received additional information on camera system components and are preparing to get quotes for the work to be performed in Stage 1.

Tekapo Desludging Photos March 2022

Heavy-duty bags being filled with sludge.

Pontoon in a pond with vacuum hose.

Vacuum equipment.

5.5 GENERAL BUSINESS AND COUNCILLOR UPDATE

Author: Arlene Goss, Governance Advisor

STAFF RECOMMENDATIONS

That the information be noted.

GENERAL BUSINESS

The following matters for discussion have been requested by the chairperson. Some are also included in other parts of the agenda:

1. Update on review of mandate restrictions (Covid-19) for community facilities.
2. Tekapo Western Car Park improvements - Discuss and agree on short term action points and timeframes.
3. Simpson Lane Footpath - further discussion around short term requirements.
4. A resolution will be passed to authorise reimbursement for a gift that was given by the community board.

Council's representative on the community board, Cr Matt Murphy, is invited to update the members on recent council activity.
